Civilization, as in history, a key step and a fundamental concept is the founding and management of cities. The civilization that you are to rule begins as a prehistoric wandering tribe that has just reached that critical point where it is capable of building cities. The first step is to build one city and from there expand. As your ...

I only just started reading the Civ5 manual, hoping instead to pick up the game through playing it. I've reached page 99. Can someone - who'll probably be under 21 and fashion-conscious, please tell me wtf 'Great People are cool' really means? I assume it means good in some unspecific way, but if it does, then what about uncool features? What about barbarians?
