ICBDA Technical Dance Manual

The Low-Tech Process Based Restoration of Riverscapes Design Manual is organized into a series of chapters, each with its own page(s). Each chapter has its own citation and DOI, so that it is citable individually and can be updated and re-published without the entire design manual being re-issued.

Riverscapes Restoration Design Manual

The new manual was informed by input from workshop participants as well as lessons learned from applying these approaches across the West. It gives practitioners step-by-step instructions for how to plan, design, and build low-tech structures. Importantly, the manual also lays out 10 principles that guide the whole approach.
