Search Tips. Phrase Searching You can use double quotes to search for a series of words in a particular order. For example, "World war II" (with quotes) will give more precise results than World war II (without quotes). Wildcard Searching If you want to search for multiple variations of a word, you can substitute a special symbol (called a "wildcard") for one or more letters.

Table of Contents: Civil engineering reference manual for ...

Yes, what Porter said is correct. Index can be easily downloaded from their website. As for Appendix, I bought a digital version of the book along with the hard copy so I could take the index and appendix separately in the exam (as recommended on PPI website on one of the forums for how to prep for PE exam).
