CF Design was founded in 1998 by its principal, Cheryl Fosdick. During its existence, the firm has designed more than 100 new homes and remodels. Most of our work is regional and specific to the Midwest and the Upper Great Lakes, and is rural, suburban, and urban, with our new built work generally tending to reflect a contemporary aesthetic.

profile — CF Design Ltd

CF Design, Ltd. is a residential design firm based in Duluth, Minnesota. Founded by principal designer, Cheryl Fosdick, CF Design offers a full range of residential design services.

contact — CF Design Ltd

The Design Manual provides policies, procedures, and methods for developing and documenting the design of improvements to the transportation network in Washington. It has been developed for state facilities and may not be appropriate for all county roads or city streets that are not state highways.

CF Design came highly recommended by a friend. Absolutely thrilled we used him for our extensive remodel planning. He brought us ideas that wouldn't have even crossed our minds and the house design is stunning because of it. To top it off he was extremely helpful in dealing with the permit process and working with our subcontractors. 5/5 ...
