What spare parts should I lay in for a looks nearly new (but 30-year-old circa 1974) Coleman 425e. Model is 425E499. I bought the stove for emergency use during power outages etc. My assumption from reading past postings is that I will need a pump cup leather and filler cap (which presumably comes with a seal). Thanks much. Tim

Coleman Camp Stoves. Due to the quick popularity of their well-known Coleman lantern, the Coleman Company released their first camp stove in 1923. With the addition of the camp stove to their inventory, the company quickly established itself into the family camping realm as well as the big business of wartime gear.

### **Finding Coleman 425 Camp Stoves | LoveToKnow**

The stove we'll be working on is a very common Coleman® Model 413E, in the condition as usually found in a garage or at a yard sale. It is nearly identical to any post 1940s two or three burner gasoline stove you will find. You will note some of the photos used are from the lantern rebuild pages; I do this only to save space on the site.
