The cheapest super zoom digital cameras - Snapsort

That's why I would be interested in the cheapest digital cameras with manual controls. Other than that I am very flexible. Unfortunately I can't afford to mean "best value for money." I mean as cheap as possible in absolute terms and I know that it will involve ugly compromises.

Cheapest camera with manual controls : Cameras - reddit

What is the cheapest digital camera with manual aperture settings? I have recently broken my DSLR camera. I am about to take a trip, and need something cheap (probably non DSLR because of the price) for a temporary replacement. There are two critical things I'm looking for: manually adjustable aperture settings, so I can easily change the depth ...

What is the cheapest digital camera with manual aperture ...

The range of digital camera prices is like that of other electronic devices: large. The ultimate cost depends on the size of the camera's quality, sensor, built-in features, and accessories. Given the large selection of cameras, however, it's easy to find something that works with your budget and produces high-quality photos.

cheap digital cameras | eBay

Most inexpensive digital cameras get a mix of positive and negative feedback. When it comes to performance, image quality is king, and unfortunately most digital cameras under \$200 abdicate that throne. It's certainly possible to snap great-looking photos with a cheap digital camera, but doing so consistently can be tricky.

Best Digital Cameras Under \$200 | Cheapism.com

For serious photography, the ideal equipment has always been a digital SLR with full manual controls and the ability to change lenses to suit the scene. However, that doesn't need to be the case any more. There are many small cameras on the market that give you total control over the exposure ...
