Civilization, as in history, a key step and a fundamental concept is the founding and management of cities. The civilization that you are to rule begins as a prehistoric wandering tribe that has just reached that critical point where it is capable of building cities. The first step is to build one city and from there expand. As your ...

Building cities in Civilization 5 is not easy. There are many factors to consider including the overall population of a city and your civilization's total happiness. In this Civilization 5 guide we'll take an in-

depth look at how to build the best cities possible. If you're interested in playing on the harder difficulty levels in Civilization 5 this guide is a must-read.

### **A Complete Guide to City Building in Civilization 5**

I often see new players asking relatively easily-answerable questions. I also see intermediate-level players asking the very same questions, so I thought I should go ahead and answer them. In addition, some of the tips given in other posts are unhelpful or flat out untrue.
