The Broker Management Handbook is an official and comprehensive instructional tool developed to provide Customs field personnel with guidance in the area of Broker Management.

Broker Management Handbook - Securing America's Borders

The broker dealer acts as a dealer in a trade with a customer but only holds a position in its inventory for a few minutes. The concept is that the dealer first trades with another dealer as a principal, then fills the customer order. The first leg has no risk because the dealer holds an offsetting customer order.
