Yes you can go to the dealer and order a service manual and now they are also available already scanned and on a CD from them. I just don't think they want to control the service manuals that tightly because they know that no matter who's doing the service most of the parts your going to come to them.

The service manual tells you how to take your equipment apart, how to fix it, and how to put it back together again. It is the manual that the factory furnished the dealer's shop service department, and was not sent or given to individual retail customers. These are authentic manuals that deal with repairs in the language of a mechanic.
