We have a 2005 242b skid loader, the machine blew a seal between the two pumps. We have replaced the seals and refilled they fluid. Now we are having problems with the lift arms raising. They will only raise when the machine is reved up. The machine will not lift the arms at any engine speed with the bucket attached nor will it roll the bucket ...

Caterpillar 242b hydraulic problems | Heavy Equipment Forums

I have a Catepillar 242 skid steer. My problem is I turn the key to start and it starts fine, then when i let go and it switches to the run position the engine shuts down. It will only run with the key in the start position. The problem is not the switch, since i have replaced it. Thank you for any help Jason

I have a Caterpillar 242 skid steer. My problem is I turn ...

Hey guys, im very familiar with the cat branded skid steers with the perkins motors,,, I use to work for a cat dealor for few yrs an ive seen everything from a work out motor at only 2 hrs to one worn out at machines with only few hundred hrs or even round a thousand or so hrs, these motors are all produced by perkins an they all have cat ...

Cat 246 with blown engine, looking for parts and advice ...

Other than these few problems we love the machine. It's so smooth compared to a Bobcat and the power is unbelievable for a smaller machine that we have. I still encourage everyone I talk to who is in the market for a skid steer to consider Cat, despite our problems. I am very convinced we just got a lemon machine and needs a few bugs worked out ...

Caterpillar 242B Skid Steer Engines New Aftermarket, Used and Rebuilt 242B Engines. Looking for Caterpillar 242B Skid Steer Engines? You've come to the right place. We sell a wide range of new aftermarket, used and rebuilt 242B replacement engines to get your machine back up and running quickly.

Caterpillar 242B Skid Steer Engines

I have a 247B cat skid steer with rubber tracks. It has gone through 4 turbochargers in the last 6 months. (cat wouldn't warranty any of them) and at 1600 a pop this is nuts. Now the cat techs say the entire engine must be changed because of low oil flow to the Turbo Charger. They want 16k to change the Perkins engine out of my Skid Steer.

I have a 247B cat skid steer with rubber tracks. It has ...

Cat Diesel Power. The heart of the Cat Skid Steer Loader power train is the Caterpillar 3024C diesel engine in the 232B and the Caterpillar 3024C Turbo diesel engine in the 242B. This rugged, reliable, four cylinder engine offers aggressive performance and a fast torque curve for quick response. It is also a low emission engine, fully U.S. EPA ...

I posted on your other question. I own a 236B. The main thing your going to have on your side is dealer support. I'm not knocking any other machines but the great dealer support I got from Cat opening there doors after hours meeting me on job sites two counties away, and giving me loaners on the spot when mine has had troubles has far exceeded my expectations of them.

Need actual user opinions on the CAT 236B Skid Steer ...

I'm looking at a Cat 242B skid steer with 4000 hours on it. I would be using it for occasional work around the farm and running a large snow blower in the winter. The price is 17K from a dealer that has gone through it, but there is no warranty.

Buying Advice Looking at a Cat 242B skid steer with high hours

So it sounds like maybe an electrical problem? Or would a shot hydraulic pump make a sound like that? Any help would be appreciated, I called Cat and they can't even look at it for at least 2 weeks, and I also have no idea how to move it to the shop. Of course it's in a horrible place in the back woods ... Cat 246B Skid Steer Hydraulic Issues.
