Schneider Electric is your one source, one solution, for all your circuit breaker and equipment needs. We have the broadest array of circuit breakers in the industry, from the legendary PowerPact molded case circuit breaker (MCCB) to the high current Masterpact air circuit breaker (ACB).

Circuit Breakers | Electric Breakers | Schneider Electric

A circuit breaker is an automatically operated electrical switch designed to protect an electrical circuit from damage caused by excess current from an overload or short circuit. Its basic function is to interrupt current flow after a fault is detected. Unlike a fuse, which operates once and then must be replaced, a circuit breaker can be reset (either manually or automatically) to resume ...
