CIBSE - Building Services Knowledge

This third edition of CIBSE Guide G has been produced in collaboration with the Chartered Institute of Plumbing and Heating Engineering (CIPHE), and this is reflected in its new title: Public health and plumbing engineering. As such, it represents a complete revision of the previous edition plus the addition of new chapters.

GVG CIBSE Guide G: Public Health & Plumbing Engineering

The purpose of CIBSE Guide G: Public Health and Engineering is to provide guidance to practitioners involved in such systems. In addition to its core readership of public health designers and installers, this Guide should also be of interest to architects and authorities who, while not directly concerned with public health engineering, need to understand the advice offered to them by specialists.
