### **Caterpillar 3196 Marine Engine Problems ...**

I have experienced MAJOR problems with both my 3196's. Cat has rebuilt my engines 2x's over the past 2 years, and now Cat has discovered high iron in both engines and performance issues for the 3rd time. Cat has offered to replace the engines with new 3196's. I have no faith in the 3196 series at this point.

Lot's of info available and there will clearly be reference to the numbers you are looking for. In my case, we have a pair of 3196's (predecessor of C-12). One aftercooler failed after 75 hours. CAT rebuilt the engine and installed new design aftercooler on both engines. Engines now have 2200 hours without any additional aftercooler related issue.

### **How to determine if Cat C12 has one of the "problem ...**

I have cat 3196 engines in my 48 foot boat each pushing 660 hp. Just yesterday I noticed that on acceleration the starboard engine was producing heavy black smoke from the exhaust, but after coming up to speed and on plane when the load was not so heavy, the smoke cleared.
