citroen engine | eBay

I was just about to say the same, that's how I got one in but you have to be quick before the temperatures equalise. You need to have a socket that will just fit the end of the bush metal sleeve and a large hammer to hand, I must admit mine didn't go right home but near enough - and that wasn't the problem anyway.

changing lower rear engine mount - French Car Forum

The Citroën Xsara was a small family car (C-segment in Europe) produced by the French automaker Citroën from 1997 to 2006. The Xsara was a development of the Citroën ZX and Peugeot 306, which shared a platform and running gear.. It came in three and five door hatchback and five door estate body styles; the estate was marketed as the Break and the three door as the Coupé.
