the ASHRAE Air-Conditioning System Design Manual. The request that drove this revision effort was simply to make a successful resource more current. The revision process involved a thorough editing of all text in the manual, the addition of SI units throughout, the updating of references, and the editing of many illustrations.

PREFACE - کشور انرژی شرکت سایت وب ::

Back then, one of my main resources for understanding those systems was the Carrier Design Manual. The copy I have was generously shared and then given to me by Bud Wiecezorik, who spent many hours mentoring me out in the field about this new world I found myself adopting as a career.
