Georgia Engineering Foundation

Structural Engineering to Assist in Foundation Repairs in Alpharetta, Athens, Cobb County, Johns Creek & Throughout the Local Community. One of the things that set Engineered Solutions of Georgia apart from the competition is that we are the only foundation repair company in the community that features an in-house structural engineering department.

Foundation Repair Atlanta | Engineered Solutions of Georgia

The structural loads of buildings, bridges, towers, and other civil engineering projects must somehow be transmitted to the underlying natural geomaterials using a foundation system that is safe, stable, and economical. Since site-specific information is required for each particular structure, an emphasis is made on the use of geotechnical in-situ testing for a rational and
