Coby 7" Portable DVD Player - Walmart.com

The DVD player can be overloaded with data sometimes and may freeze or shutdown. When this happens, the safest thing to do is reset the player. To do so, press and hold the power button for five seconds to power off the DVD player. Then unplug the power for 30 minutes. The DVD player's "restore" function should reset it.

Portable Dvd Player With A V Input - sears.com

I have a Coby V ZON TF DVD-7006 portable DVD player. I've had it now for about a year and a half and last night it stopped working. Lately movies I had been watching on it kept messing up as though the DVD were scratched but these movies were brand new and had no scratches. Now, the DVDs won't even start spinning when I put them in. Is this something that could be fixed by cleaning something ...
