Module 3 - NPTEL

Erie Canalway National Heritage Corridor works to preserve and share our extraordinary heritage, to promote the Corridor as a world class tourism destination, and to foster vibrant communities connected by more than 500 miles of waterway.

Erie Canalway National Heritage Corridor :: Native Americans

Idea for this surfaced during Jefferson's presidency. A canal between the New York cities of Albany and Buffalo, completed in 1825. The canal, considered a marvel of the modern world at the time, allowed western farmers to ship surplus crops to sell in the North and allowed northern manufacturers to ship finished goods to sell in the West.

Erie Canal Flashcards | Quizlet

The finished shape of the canal as seen in cross section is known as the canal prism. The water for the canal must be provided from an external source, like streams or reservoirs. Where the new waterway must change elevation engineering works like locks, lifts or elevators are constructed to raise and lower vessels.
