Intervention K-12 (Pathblazer/My Path)

Girls Rock Math was created to empower girls to find joy in math, and confidence in their skills in mathematics. Too many studies have shown that girls are reluctant to take on math challenges in school. They are less likely to take the upper level math classes that lead to careers in science, engineering, technology and mathematics.

Girls Rock Math - 11 Photos - Educational Services ...

Compass Learning is an online math program that will allow students to practice specific math skills based on the results of the NWEA MAP test they completed at school. By using Compass Learning, your student(s) can continue to build their math skills throughout the summer. Directions for logging into the program are found below.
