Caterpillar On-Highway Diesel Engine Fluids Recommendations

I know my 04 C7 would spit oil all over with any more than 19 quarts installed. If you have to fight with them over paying for the extra oil call cat with your numbers and get the official answer to give to the dealer. An extra 9 quarts at today's prices is a bit much. ____

Cat C7 oil capacity - iRV2 Forums

Best to read the Cat engine manual to determine oil type, API rating and change interval. My coach owner's manual (includes chassis) specs less time between oil changes than the Cat owner's manual. Oil for diesel engines has a different API rating than gas engines although both ratings are often on the same oil.

Also, perform oil analysis on it and watch the wear metals. They will normally be high on a new engine but you should see them gradually start to drop after about three or four oil changes then stabilize. If they don't I'd contact Cat and report the oil consumption and wear metals levels after 12 months of operation.
