If you are considering a Peugeot or Citroen with the 2.2 HDi Diesel engine (or most other HDi models manufactured after around 2001) then you should know that these are fitted with a particulate filter (or FAP as ...

Peugeot / Citroen HDi - Potentially Expensive Problem

Info. For many car parts, such as engines and cylinder heads, it is important that you specify the correct motor code on your request. The engine code is usually stamped somewhere into the engine block. The first 4 or 5 letters / numbers usually provide enough technical information for a car parts supplier to find the right engine related car part for you.
