Re: mercruiser 3.0 coil test do I have to connect anything to the coil center cap wire like a plug or hold it close to ground to see the spark or what do I do

mercruiser 3.0 coil test Page: 1 - iboats Boating Forums ...

I have a 2000 4.3 Mercruiser. The ignition coil was sparking from one terminals to the center so I replaced it with a new one. I started the engine with no problems so off to the water I go. I started it and went about 150 feet and it died. I went back to the dealership and ordered another ignition coil thinking I had a faulty coil out of the box.
