It's a different site than the EBSCOHost Auto Repair Reference Center site that my libraries have access to, and there appears to be less content. For example, the page about replacing the fuel pressure regulator on my truck had no data in it. Autozone.com is another source for online Chilton content. Still, it's always good to have another one.

I can sum up my feelings here with, "A Picture Is Worth A Thousand Words." The description says pickup truck, the book says truck. What you get is a shop manual that covers ALL the Chevy trucks made that year, including the big rigs with air brakes! There is very little info on the light duty pickup trucks.
