Civil 3D Training Manual - Civil Engineering Community

Bryant Quinney | Senior Applications Expert Within a couple of releases of Civil 3D, we have been able to generate superelevation data semi-automatically. However, there are times that we need to manually input data, whether we are implementing known values from a previous design or just want to clean up some of the results we are given. In either case, a good understanding of our options and ...

Manual Superelevation Data Entry in Civil 3D - IMAGINiT ...
