Getting a 2010 V8 Camaro SS, I'm just not sure on whether of getting an Automatic or a Manual, Manual would be cool at first but I think get annoying over time and especially in traffic and trying to multitask. Automatic isn't as fast, I think, but it's only .0 whatever seconds slower. Everyone talks down on an automatic sports car but I like it.

The auto trans is nice and I have one in mine. The LSA has a lot of of low end torque and I'm sure you won't be disappointed either way. That being said, I think you should find a manual trans in any other car and drive it before dropping almost \$60k on a ZL1. I don't enjoy manual trans cars in stop and go traffic and will never own another one.

However, despite these issues i still recommend a manual camaro and this is why: It will force you into becoming a good stick driver. You will have to rev match and time your shifts perfectly to make it work well. Once you hop in another manual car afterwards, it will feel like going from a manual car to an automatic in terms of difficulty.
