Civil Engineering Cut Off Points

Cut off points for public universities released. Bachelor of Science in Petroleum Geoscience and Production and Bachelor of Science in Civil Engineering have the highest weights each at 52.6 cut off points. The hiking of the cut off points is as a result of limited space and equipment at the public universities making them unable to accommodate all the students who applied to do science courses.

Cut off points for public universities released - The ...

If we go with the popular theory that the non-prorata occupations do not have an occupation-wise cutoff, rather follow the overall cutoff, then the last published round (18th October) had the overall cutoff point of 65 points and date of 28/09/2017. In that case, you are around 50 days behind and most likely have 4 rounds to cover before January.
