For the engine package (harness) you'll be able to find a diagram in the applicable service manual or on line. As far as the wiring that Caravelle installed in your boat good luck. My advise is to look at Nigel Calders book " Boat owners Mechanical and Electrical Manual". Charlie Wing also wrote a good text.

The 2.5 l 5-cylinder in-line TDI engine with pump injection system represents a new generation of 5-cylinder diesel engines. The primary development goal was to use the engine in various models (transverse and longitudinal mounting) with a high power density. The engine is used in the Transporter 2004 with an output of 96 kW and 128 kW, and in the
