Cat C9 is now seeping coolant out ye old weep hole on the bottom of the water pump. I see "seal kits" available online. - Answered by a verified Technician

Cat C9 is now seeping coolant out ye old weep hole on the ...

Does someone has an experience of mixing Diesel in an Engine Oil ? Engine is Caterpillar C9. I have replaced all the O-rings of the Injectors and replaced a HEUI Pump but still the crankcase fills up with diesel. Engine running is smooth and can pick up the loads quite easily.

Caterpillar C9 Engine | Heavy Equipment Forums

I want to replace the thermostats in my Cat C9 engine but do not intend to do a complete drain and flush of the coolant since it has the Cummins PPG ELC coolant. I found some Cat instructions for replacing the thermostats on a Cat C15 that, in essence, said to drain enough coolant to drop the coolant level below the thermostat level, remove the ...

Cat C9 Thermostat Replacement - Country Coach Forums

Remember you must use distilled water when doing a 50/50 mix plus the system should be flushed if going to a different kind of coolant. My C9 was flushed before they installed a new Brass and steel Radiator but on the same subject on my 06 F350 Ford I did a coolant flush with only 20k on it to remove the Ford Gold Junk coolant.

Coolant system flush C-9 - Country Coach Forums

Caterpillar offers the right coolant to meet the needs of your machine or fleet. Extended Life Coolants as well as Conventional coolant/antifreeze are found in our portfolio of products. To help extend the life of your coolant, Caterpillar also has a variety of additives that allow you to extend your drain intervals, saving both time and money.
