Colt's currently produced Series 70 .45 pistol is very close to duplicating the guns that came from the old factory under the blue dome in 1924. American Rifleman | Colt Series 70 Model 1911

### **American Rifleman | Colt Series 70 Model 1911**

I have just recently purchased a Colt Government Model IV/series 70. Unfortunately, I did not receive an owner's manual with the purchase. Is the series 70 basically the same as all other Colt 1911's? :confused: This is my first 1911 and it seems to be different than any other semi-automatic pistol I've disassembled. Therefore, does any one know how I can obtain an owner's manual, either by ...

I believe Para Ordnance uses the Colt Series 80 system with the trigger releasing the firing pin block. Colt no longer manufactures 1911s with the Swartz Safety. Some earnestly look specifically only for a Series 70 1911 and want to avoid the Series 80 firing pin safety system and modifications at all costs.

The markings between the two pistols are also obviously different, although they both sport the Colt name and logo. SERIES 70 VS. SERIES 80. The Series 70 is also different from the Series 80 1911, which are far more popular today, as well. The Series 80 is simply a 1911 that's has been installed with an internal firing pin block system.

Series 70 vs 80, the difference is more than you think. I see a lot of use and misuse of the terms Series 70 and Series 80 when talking about Government Model and Commander pistols so I thought I would lay it out for you all. Once again I am not trying to upset anyone but just providing some correct ...
