#1) Ensure your boat is within the recommended service interval for the hours on your engine. Strict compliance with the service schedule ensures that your boat and installed components receive maintenance including inspection & service by a certified dealer. #2) Validate you have the latest version of the Centurion Touch Vision System Software.

#1) #2) - Centurion Boats

I have kind of the same question as larson79, was wondering where to get a service manual for a boat I just bought. It is an '87 ski centurion and I can't find a service manual for it anywhere. Even the local dealer said they don't sell one for that boat, they suggested just getting some kind of generic boat manual.
